CERTIFICATE OF COMPLIANCE

Please be advised that 3M Company, through its Electronics Materials Solutions Division (EMSD), has reviewed the China Compulsory Certification document including the Catalogue of Products Subject to Compulsory Certification.

As a result of this analysis, 3M EMSD has determined that the products found on this list, (3M EMSD Products 9-2-14.xlsx) that are sold by 3M EMSD, are not subject to the requirements of the China Compulsory Certification.

These are commercial products for commercial industrial applications and are not for consumer devices or intended for consumer applications. There are also products on the list that meet one of the current exemptions for CCC marking requirements. Therefore, these products are considered to be products that are out of scope for the China Compulsory Certificate safety mark requirement.

A handwritten signature in black ink, appearing to read 'Phyllis Cheatum', with a long, sweeping underline.

Name: Phyllis Cheatum
Title: EHS Regulatory Manager, 3M Electronics Materials Solutions Division
3M Austin Center, Bldg. 130-3N-01
