

IP67 Mid Mount Rated 6-Pin USB Type-C®

Key features

- > 100% tested for compliance to IP67 rating
- > Cost-effective 6-pin design for charging applications
- > 6 SMT contact pins with 4 through-hole shell stakes for exceptional PCB retention

Mid Mounted USB4715 is 100% tested to IP67 and is ideal for charging applications. Additional features include a low profile of only 4.21mm above the PCB, SMT contact pins and 4 through-hole shell stakes to ensure exceptional PCB retention. USB4715 and gasket USBTJ-04 are available in kit form via distribution or can be ordered separately.
