Rugged Panel-mount Indicators Provide Bright Indication In Electric Vehicle Charging Stations

Distribution Date: September 25, 2014

Product Name: 22mm CNX 722 Series TuffLED™ indicators

Product Description: The rugged CNX 722 Series panel-mount indicators are IP67 and NEMA 6P rated and designed with a wide viewable angle that delivers bright visibility even in direct sunlight

Key Markets/Applications:

- Automotive
- Aerospace
- Industrial
- Instrumentation
- Medical
- Military
- Mining
- Outdoor
- Safety
- Transportation
- Vending & game machines

Key Benefits:

- Direct sunlight visibility
- Wide viewing angle
- IP67 and NEMA 6P rated
- Resistant to shock, vibration and moisture
- Fast pitch threads requiring only one turn to ease assembly
- Variety of connection options for fast, easy installation
- Special nuts enable assembly by finger or with 1” hextool

Product Specifications:

- Built-in LED that can be used with 5, 12 or 24 volt D/C circuits
- Custom LEDs and lens colors available
- Optional bezel available in many colors
- RoHS compliant
