

The Fluke logo is displayed in a bold, black, sans-serif font on a yellow rectangular background in the top right corner of the advertisement.

**Outfit your apprentices  
and labs with the  
best tool for the job,  
at “HALF THE PRICE”.**

Not-for-profit schools always receive 25 % off Fluke tools. Now, when those schools purchase two Fluke T6-1000 Electrical Testers or two Fluke 87V Industrial Multimeters at the 25 % education discount, Fluke will donate a third T6-1000 or 87V to the school or training center. Added up, schools receive three tools for about half the price.

*Not-for-profit only offer*

**“ Make sure your apprentices  
have safety rated tools. ”**

Increase apprentice safety by giving them a safety rated T6-1000 Electrical Tester. Make sure they're ready for the job, by training them to use the 87V Multimeter. Safety is everyone's responsibility, but ultimately it is in their hands.

Terms and Conditions: Offer applies only to not-for-profit schools and training centers with instructors enrolled in the Fluke educator program. Offer not valid to students or high schools. Tools must be purchased through an authorized distributor and Fluke satisfies all orders. Donation offer is only available for purchases of either T6-1000 or 87V. Excludes Fluke Biomedical, Fluke Networks, Amprobe and Comark, or any other Fluke products. Fluke will fulfill tool donations within two months upon receipt of proof of purchase. More information available at: [fluke.com/educators](http://fluke.com/educators).
