Subject: WEEE Marking implementation on all Phihong Products with CE marking

Dear Valued Customer,

Effective July 15<sup>th</sup>, 2005, Phihong will be implement the required WEEE mark on all Manufactured products which have the CE logo. This required per EU Directive 2002/96/EC. The products will have the following icon appearing either on the product per the European marking requirements. The icon shown below is required for all electrical and electronic equipment.

This change is a marking requirement only and does not imply any change has been made to the product. If any one has any concerns or questions please contact your local Phihong sales person or representative.

Sincerely,

Wendy Tai  
General Manager  
Phihong USA
