

Vertical Mount 16 & 24 Pin USB Type-C®

Key features

- > 16-pin and 24-pin with multiple shell stake lengths
- > Low profile at less than 7.5mm
- > 2x industry standard at 20,000 mating cycles

GCT's next-generation vertical USB Type-C connectors now include a 16-pin and a 24-pin versions with compatible footprints. Both products have 4 shell stakes in multiple lengths to suit different PCB thicknesses and ensure exceptional PCB retention. All GCT 6, 16 & 24 pin products are fully revisable and compatible with any USB Type-C cable assembly or male connector.

Product Specifications
