

FLUKE®

Outfit your labs with the best tool for “HALF THE PRICE”.

**Not-for-profit schools always receive
25 % off Fluke tools.**

Now, when those schools purchase two Fluke 8808A Digital Multimeters at the 25 % education discount, Fluke will donate a third 8808A to the school. Added up, schools receive three tools for about half the price.

To sign up visit fluke.com/educators
Not-for-profit only offer

Terms and Conditions: Offer applies only to not-for-profit schools with instructors enrolled in the Fluke educator program. Offer not valid to students or high schools. Tools must be purchased through an authorized distributor and Fluke satisfies all orders. Donation offer is only available for purchases of 8808A. Excludes Fluke Biomedical, Fluke Networks, Amprobe and Comark, or any other Fluke products. Fluke will fulfill tool donations within two months upon receipt of proof of purchase. More information available at: fluke.com/educators.
